Learning and Achieving Through
Love, Courage and Respect

Dear parents, carers and children,

We made it!! The end of the academic year is always one of mixed emotions. There are smiles and laughter when you look back with fond memories on the journey you have taken so far, tears of sadness when you say goodbye to friends, colleagues and pupils, and possibly some feelings of apprehension, nerves and excitement when you look ahead to the next part of your life adventure.

There were a few tears, and lots of laughter, during our **Y6 Leavers' Service** in the church yesterday morning. The Y6 children made us all very proud as they looked back on their time at Brighstone; it was lovely sharing their memories. They spoke with confidence and maturity in front of the whole school and their parents. I would like to take this opportunity to say thank you to a few people: Reverend Jackie for helping to lead the service; Peter, Andy and Keith for organising the PPT, saying a reading and playing wonderful accompaniments on their guitars; Chris for helping with the puppet show; Mrs Jones for creating the memories PPT and the yearbook; Mrs Pelosi for everything (!); the BSA for the hoodies; Mrs Sharp for helping to organise the service; and you, the parents and children, for all your support over the years that your child has been with us at Brighstone. We wish them every success for their next adventures!

We also said a very sad farewell to **Miss Sztypuljak and Miss Newman**. They were presented with gifts from the staff and cards from the children. They have been much valued members of the team and we wish them all the very best. We hope our paths will cross again soon!

On Monday we held our **Summer Concert**. Each class had the opportunity to showcase their talents, and we were wowed by wonderful singers, dancers and musicians. The children who have been learning to play instruments amazed us with what they have learnt so far; thank you to Rob Carr, Martyn Stroud, Helen Foster and Louise Jackaman for their hard work throughout the year and for supporting us during the concert. Well done to all the children; the songs were very catchy and were sung with enthusiasm!

Thank you to the **country dancers** who took part in the Brighstone Horticultural Show on Saturday. Despite the heat, they did extremely well and the crowds were very impressed. Some of the younger children only had one or two rehearsals, as they were called in at the last minute to make up the numbers. Thank you and well done! If you were there, you may also have seen some of the children's artwork and handwriting. Well done to all who entered and won prizes, which were celebrated in our Collective Worship on Tuesday.

On Tuesday, we had a visit from the team from **Planet Aware** who worked with the children about the oceans and how we can do our bit to help them. I learnt something new during their sessions. Do you know what 'nurdles' are? I didn't, but I do now! Nurdles are the worst toxic waste you've probably never heard of. They are little bits of plastic from products and are found in the oceans and washed up on our beaches all around the world. Sea creatures often mistake them for food, so you can do your bit in helping clean them up by using a sieve to clear them from the sand. Clearing them all would be impossible, but even a little bit will make a big difference!

We had lots of fun playing the games that the **Y6 children** created to raise money for orangutans. Everyone had a great time on the field in the shade taking part in them; well done to the Y6 children for organising this and raising £58!

From September, to save valuable learning time, children will be expected to wear their **PE kits** on their PE days. Information about this will be in the class newsletters that are sent out when we return.

I would like to thank all parents and carers, governors, staff, pupils, the church and the wider community for all your support for the school. We are a small school and your support is hugely appreciated and valued. Thank you :-)

Have a fabulous summer holiday, and I look forward to seeing you on Monday 5th September, if not before!

World of Possibility

Sometimes when one door closes another opens, and sometimes when you close a door to something that has been a big part of your life, you turn around and you've got a whole world of possibility in front of you.

Grammar and Spelling Matters

Each week we will include a mini grammar or spelling lesson so you know what your children are learning!

Colloquialisms

English speakers use a variety of informal words and phrases that differ from region to region but are recognised by most native speakers. These words and phrases are called 'colloquialisms', which stems from the Latin word for 'conversation'.

Colloquialisms are used in informal conversations but they should not be used in formal speech or writing.

SAFEGUARDING

The wellbeing and safety of our children and families is still important to us over the summer holidays. If you have any safeguarding concerns regarding anyone in our school community you can email us on:

safeguarding@brighstoneprimary.org.uk

If you feel someone is at risk of immediate harm you must call the police 999

You can also contact Children's Services yourself on 0300 5551384

Monday to Thursday 8.30am to 5pm. Friday 8.30am to 4.30pm. Email childrens.services@hants.gov.uk.

Key dates this term and the start of next term

- Monday 5th September: First day of the new term for the children
- Tuesday 6th September: Meet and Greet Information Evening for parents 5.30pm—6.30pm

Events and key dates for the new academic year will be published in the first Buzz in September.

Thank you to all members of the **BSA** for your hard work, commitment and dedication this year. You have organised some wonderful events for everyone to enjoy and raise funds.

Thank you to staff, parents and children for taking part in the events and raising much needed money for our little school.

News from the Classrooms

Planet Aware Raise Awareness

As the year comes to an end we have had time for one more activity.

The team from Planet Aware came in and worked with the children to share their knowledge about oceans and the pollution that is found along our shores. The children researched creatures from the deep, discovered nurdles and learned about how plastics get into the sea and cause pollution.

Over the holidays, have a go at the Ocean Challenge which the children will be bringing home. There are lots of prizes to be won, from Tapnell Farm passes to beach combing kits. It will be a fun way for children to learn more about their seaside.

We hope to get down to the beach next year to clean up some of the plastics that are found locally.

If you need more information, then look at the www.planetaware.co.uk website or facebook.com/plasticaware/

Happy nurdle hunting!

Lemur Class

Lemurs spent the afternoon having a picnic and fun in the rec. We enjoyed a class game of rounders against the adults, and lots of laughter to end the year.

Polar Bear Class

To finish off our seaside unit, the children were challenged to design and make their own fruit sculptures. They came up with a wonderful variety of sea creatures and beach scenes. Can you work out what each child made?....

Y6 Charity Games

On Tuesday, Y6 held a "charity games" session in their final push to raise money for the orangutans at Monkey World in Dorset. They planned, made and organised a wide range of games that the rest of the school were invited to play for a small fee. Games included "Name the teddy", "Guess the number of sweets in a jar", "Spin the wheel" and "wellie wanging", making a grand total of £58. As well as the "on the spot" prizes, Y6 also gave out certificates for overall winners.

Well done, Y6, for organising such fun games!

NHS urges summer safety awareness to keep children out of danger

NHS services are urging local people to be more alert to risks associated with warm weather this summer.

NHS Frimley Clinical Commissioning Group (CCG), which plans and funds the majority of health services provided to local people, are supporting a summer safety video, entitled [‘Keep your kids live and kicking this summer’](#).

The video highlights the risks of leaving babies and infants unsupervised near water or open windows, particularly when parents and carers can be distracted.

Babies and infants need constant supervision around water – whether this is in the bath, paddling or swimming pool, by ponds, rivers or lakes. They also need supervision around open windows.

Debbie Hartrick, the CCG’s Director for Safeguarding, said: “While incidents of drowning or near drowning are rare, it is really important that the safety of infants and children around water and open windows remains at the forefront of our minds, especially with the warmer days ahead.

“Pools, ponds and baths can keep your kids cool in the hot weather. However, water can also be dangerous for children if parents and carers don’t pay attention.

“With more and more families still spending more time at home due to Covid-19, we know that children will be playing in garden paddling pools and it’s important that they do so safely.”

She added: “Young children can drown in less than two inches (six centimetres) of water, in only 20 seconds. If they are very young, you won’t even hear them. They can slip under the water without making a splash or a sound.

“Young children don’t understand that a fall can kill them – just as they don’t understand that water can kill them.”

“Getting distracted by a mobile phone, talking to other people, or wandering off when your child is around water can lead to tragedy.

“By spreading these key messages, we can all help to keep our young children live and kicking this summer.”

The video was first launched by commissioners in the east of Berkshire in 2017 and has been widely shared over the years.

Communications for schools to share with parents via newsletters

NHS encourages children aged between 5 and 15 years to get their COVID-19 vaccine over the summer break

We know some children feel nervous about getting their COVID-19 vaccine, so Solent NHS Trust and the Hampshire and Isle of Wight Integrated Care Board (ICB) have created [this short video](#) with Issy, aged nine, on what it was like for her coming in to get vaccinated. Children aged 5 to 15 years can receive two doses of the vaccine and given the rise in COVID in the community over recent weeks, it is important to help protect them and the people they meet before winter.

Children aged 5 to 11 are offered two smaller doses than older children and adults, with a gap of 12 weeks between doses. They can get their jab from many easy to reach locations including walk-in clinics, bookable appointments, or their local pharmacy. Parents and guardians can book an appointment or find their nearest walk-in clinic and time at www.nhs.uk/covid-vaccination

We understand that some parents may have questions or concerns about getting their child or themselves vaccinated. If you would like to talk to someone about this, please contact the Hampshire and Isle of Wight NHS vaccination helpline on [0300 561 0018](tel:03005610018).

The name in professional Music Education for the Isle of Wight
Inspiring Young Lives Through Music

Dear Parents/Carers/Schools

We would like to thank all schools, parents and pupils for their support and dedication in the provision of music tuition this year. We have worked hard with schools to ensure safety of all parties, working in line with Covid Government guidelines and are delighted that in the majority of cases lessons have taken place as normal successfully. It really has been wonderful to be back in schools and helping pupils enjoy and continue with their musical development.

We have continued to provide a small number of online lessons, attend the majority of schools in person and have welcomed a number of new tutors to our Cooperative which is a reflection of the positive uptake of music following lock down. We are currently looking at setting up some after school clubs and some of our tutors may be available for continuation of lessons during the holidays so please do stay in touch and let us know if we can support you moving forward.

Mrs Helen Forster has spaces available for STRING lessons in September.

For any enquiries please contact our administrator Sammi Vine at office@iwmt.org.uk
