Love, Courage and Respect

Our School Vision

We provide a collaborate and nurturing environment with a supportive Christian ethos where everyone is enabled to thrive and flourish in their own unique way.

Our values, as part of the mission statement, are the roots and foundation that feed and nourish our school. The vision statement is the main body (trunk) that guides all our actions.

The branches reflect the different aspects of life in our school.

The leaves show examples of how these aspects are shown.

The school logo in the centre of the tree represents the Christian ethos that is at the heart of everything we do.

Our Values

Love

Courage

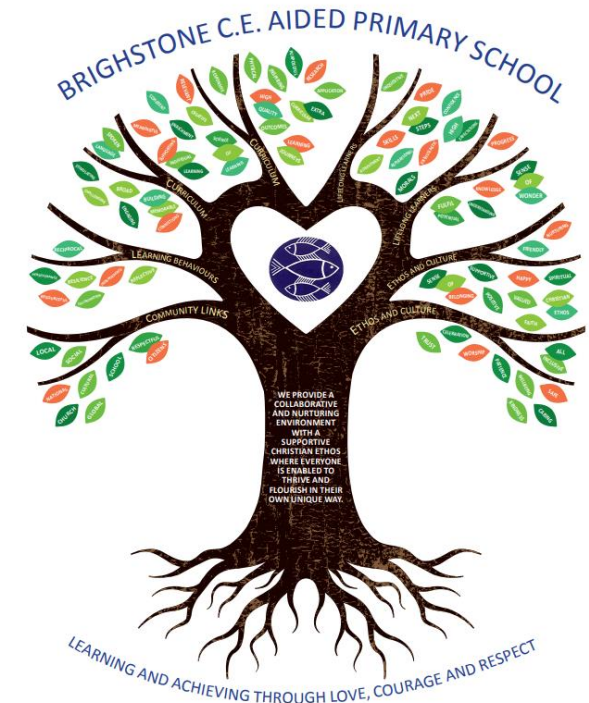

Respect

Our Christian values are shared by staff, governors and children, inspiring all that we do. They reflect our shared beliefs and our commitment to creating a nurturing environment, where we work as a team to provide rich opportunities for children to learn and grow. Our aim is that our children will leave as life-long learners, demonstrating a strong sense of responsibility for themselves, for others and for the world around them and being ready for any challenges that the future may bring.

Our Vision and Values

Love

We work together in a loving, trusting environment in which we promote a mutual respect for each other and a love of lifelong learning.

Love means treating others as you would want to be treated yourself and God encourages us to “Love thy Neighbour”, regardless of who they are. Love underpins our relationships with each other, with the local community and with the wider world, through kindness, friendship and empathy.

“Let all that you do be done in love.”
1 Corinthians 16:14

Love is at the centre of God’s message: the Bible tells us that God, the Father, is Love. Love is the greatest commandment we are given. Jesus lived this out in the way He treated everyone as an equal, and showed compassion for those who others had rejected.

Courage

Taking the strength of courage, we want our children to develop a sense of responsibility towards themselves, others and the wider world. We want the children to have the courage to make decisions and choices to change things for the better, and to persevere and to show resilience even when they might find things hard. We believe that Jesus has inspired us to be courageous and to stand up for what is right.

“Be strong and courageous. Do not be afraid. Do not be discouraged, for the Lord your God will be with you wherever you go.”
Joshua 1:9

In the book of Joshua, God tells his people to “Be strong and courageous, do not be frightened, for the Lord your God is with you wherever you go.” (Joshua 1:9) Jesus showed courage by standing up for what he knew was right, and by giving His life for us.

Respect

Our value of respect describes the ethos that underpin our community. As a school we ensure that children have equity so that all can be successful in their own unique way. We want the children to respect one another, respect themselves, to show tolerance, understanding and respect of other people’s beliefs in the wider community and to respect God.

“Treat others as you would want to be treated.”
Matthew 7:12

St Paul tells us that we must “Encourage one another and build each other up.” (1 Thessalonians 5:11) Jesus shows us how to love and respect others through the story of the Good Samaritan.
